

# NEWS FROM THE BOARD OF DIRECTORS

VOLUME V, ISSUE 3

News discussed during the July 8, 2014 BOD Meeting

## **ANNUAL MEETING REMINDER**

The Annual Meeting will be held on Friday, September 19th, 2014 at 5:00 PM at the Whitewater Inn. We encourage all homeowners to join us for this informative meeting. We will be using a service called WebEx for any owners that are not in town to join via video conference. An email explaining how to log in will arrive in your inbox closer to the meeting date.

## **CONTENTS:**

- ◆ Annual Meeting Reminder
- ◆ Neighborhood Party
- ◆ New Signage
- ◆ Trash Compactor Update
- ◆ Privacy Fences
- ◆ Landscaping Update
- ◆ Be Bear Aware

### **TRASH COMPACTOR UPDATE**

The trash compactor for use by both Chalet and Condominium owners should be in operation late this summer, hopefully by Labor Day!

### **LANDSCAPING UPDATE**

Landscaping is complete on the entrances. The trenches will be repaired and filled in mid to late August. **Please DO NOT drive on the new landscaping**, sprinkler heads have already been damaged.

### **NEW SIGNAGE**

You may be seeing new signs around campus soon. Parking can be tight, and is only made worse when people don't follow the rules. While we do not enjoy towing cars, it can be necessary. These signs will direct parking violators to call Best Rate Towing if their car has been removed from campus.

### **NEIGHBORHOOD PARTY**

THE THIRD ANNUAL FIRELIGHT MEADOWS NEIGHBORHOOD PARTY WILL BE HELD ON SUNDAY, AUGUST 23RD  
3:00PM TO 6:00PM AT CHALET 184.  
ALL FIRELIGHT RESIDENTS ARE WELCOME!

### **PRIVACY FENCES**

If you own a chalet that does not have a privacy fence between your back patio and your neighbor's, and you would like one, please let your Board of Directors know. If you and your neighbor would both like to see one put up, it would be half the cost!

## **BE BEAR AWARE**

The bear population in this area is very active this time of the year. Here are a few reminders to keep everyone in the community safe:

- ◆ Keep the trash can inside as long as possible on trash day. Put it out as late as possible, and bring it in as soon as possible after being picked up.
- ◆ Do not leave any food items in your vehicle.
- ◆ If you have a grill, burn the food off of it.
- ◆ Keep all pet food indoors.
- ◆ Do not store coolers outside.
- ◆ Only use bird feeders from November to February when bears are hibernating.
