

## **NEWS FROM THE BOARD OF DIRECTORS, VOLUME II, ISSUE 1**

The Board of Directors of the Firelight Meadows Unit Owners Association met on Tuesday, January 25, 2011.

**PHYSICAL ADDRESS CHANGES:** By now all owners have received a copy of a letter from the Gallatin County GIS office notifying them of the street name changes and any change that might be occurring in the exact location number of each unit. These changes better assure an accurate emergency response by local law enforcement, fire department and emergency responders as well as agreeing with up to date GPS instruments.

This change is scheduled to take place on April 1, 2011. The Board authorized street signs and additional chalet identification numbers to be ordered so that all installations can occur toward the end of March. Our goal is to have the numbering and wording changes in place on time.

Your role will be to use the new physical address numbers to identify your unit. This also includes the duty to have anyone that occupies your unit use the one and only identifying address as the need arises.

These address changes are happening or have happened all through Big Sky in the past year. We hope the actions of the Board preclude avoidable confusion. With your help, that will be the result.

**OTHER BUSINESS:** The Board had a full agenda, so please familiarize yourself with the proceedings when you receive the minutes of the 1/25/11 meeting.

The next meeting of the Board of Directors is scheduled for 6pm, March 1, 2011. The location will be noted in the forthcoming agenda.

The members of your Board of Directors are Garrett Baldensperger, Jack Eakman, Amy Free, Sam Geppert, Twila Moon, Scott O'Connor and Sam Reznicek.
