

## **NEWS FROM THE BOARD OF DIRECTORS, VOLUME II, ISSUE 5**

The following items were discussed at the Firelight Meadows Unit Owners Board of Directors meeting of Tuesday, June 28, 2011:

### **Firelight Meadows Image Portfolio**

Board Member Scott O'Connor has elected to head the Firelight Meadows Image Portfolio. He plans to send out surveys and questions for unit owners on the current perceptions and asks for input on what we can do to correct false rumors about Firelight Meadows. Owners, please expect an email regarding this in the coming months, your participation in this effort is greatly appreciated and will be beneficial to all unit owners.

### **Firelight Meadows Landscaping Portfolio**

Board Member Garrett Baldensperger is now in charge of the Landscaping Portfolio. Any landscaping questions will go through him. If, as a unit owner, you elect to purchase and plant new trees on your property, we ask that you contact Baldensperger with a picture marking where you would like your trees planted and what types of trees you would like to plant. Please purchase your trees through Cashman's Nursery as they are working with us to ensure that we purchase the trees and plants appropriate for our climate and region.
