### New Website for Hammond Property Management

The Firelight Meadows website through Hammond Property Management has been upgraded. As with most transitions, there have been a few minor glitches with the new website. Please bear with them as they clear up these problems

The Log-in and Password information will remain the same, but there will be better flow to the site and locating documents will prove easier and more efficient. Soon, you should easily find archived Newsletters, Minutes, and other important FLM information on this site.

If you are having difficulty finding documents on the website while it is being updated, feel free to contact Angie Guinn at 406-995-7220.

### GOOD NEWS: 17 Owners now current due to the Parking Pass Program
