

## **Attention Chalet Owners:**

### **Snow Removal Expectations**

With the snow season fast approaching, we would like to remind chalet owners to keep their front entryways clear of items in order to ensure proper snow removal.

**Fines may be issued for unapproved items preventing adequate snow shoveling/removal.**

Thank you for your help with this matter!

## **BEAR SEASON!**

**PLEASE REMAIN CONSCIOUS  
OF BEARS UNTIL MID  
NOVEMBER.**
