Pet Waste Reminder

Per campus rules and regulations, all pet waste must be cleaned up AS IT OCCURS! **If you have a pup on campus, this means you!** With spring fast approaching, there is a vast amount of dog waste melting along with the snow. For everyone's enjoyment of the campus, please be conscious of this requirement and be aware that you may incur warnings or fines if rules are not followed. Thank you for your help!

Water Conservation

*“Stop by the Gallatin River Task Force office to swap out your old, inefficient showerhead for a new high-efficiency showerhead. We are offering **FREE**, polished chrome showerheads that not only look great, but save money without sacrificing performance. Be sure to bring your old showerhead with you to receive your new showerhead.”*
