# Firelight Meadows 2019 Annual Meeting

## Meeting Minutes

### Call to Order

Matt Walker called the meeting to order at 6:01 pm.

### Attendance

Board members in attendance included AJ Christianson, Laura Gregory, Matt Walker, Karla Yeager and Steve Cherne. Owners present included Sara Sipe, Bruce and Amy Das, Kari and J Gras, Chris Moon, Callie Stolz, Lucy and Bill LaCasse, Andrew and Kristina Pattison, Rosalie Roeder, Karen and Barry Robertson, Steve Miller via phone, and Annette Stone via phone.

Others present included CPA Doug Shanley, Attorney Alanah Griffith, and Scott Hammond, Mike Palmer, Josh Hickey, Derek Weinrich, Katie Coleman and Seanna Farrow of Hammond Property Management.

### Quorum

Quorum was established by those present in person and by proxy.

### Minutes

Sara Sipe motioned to accept the 2018 annual meeting minutes as presented; Bruce Das seconded the motion. All were in favor, none were opposed and the motion carried.

### Financial Review

Doug Shanley presented the financial report. The HOA was over budget in Roof Snow Removal; the proposed budget will reflect an increase for future needs. The group discussed the rule enforcement costs and what this amount covers.

### Proposed 2020 Budget

Doug presented the proposed 2020 budget. Karen Robertson motioned to accept the proposed budget; the motion was seconded. One person was opposed. Chris Moon motioned to increase the general reserve account by 25% to proactively fund the irrigation replacement project. The board explained that they are awaiting the results from the reserve study before making changes to the budget. The original motion to pass the budget as proposed was carried.

### Board Election

There is currently one board vacancy. Matt proposed someone fill the remainder of the open term which begins immediately and goes through Dec 31, 2019, and then assume the 3-year term. Kari Gras nominated Chris Moon for the open position; Chris declined. There were no other nominations and the board position remains open for the time being.

### West Fork Utilities Update

Matt Walker shared an update from West Fork Utilities. West Fork identified a forced-main leak on campus; however they continue to meet the water demands of residents. Directly from the report:

*“Water Sources, Water Quality & Water System Maintenance Issues*

*There are 3 PWS wells at Firelight. PWS Well 1 is completed at 300 ft. and produces ~5 gpm, PWS Well 2 is 285 ft. deep and produces ~28 gpm, and the newly installed PWS Well 3 is 320 ft. deep and produces ~20 gpm. The water system and wells are routinely sampled per MT DEQ and EPA requirements, and the water is deemed safe for consumption by all regulatory measures. Water quality sample results can be found in MT DEQ’s ‘Drinking Water Watch’ service at <http://sdwisdww.mt.gov:8030/DWWW/>. The PWS IS for FLM is MT0004236.*

*In May 2019, we noticed a decrease in flow from Well 3. Specifically, the flow measures in the PWS pumping facility dropped from 20 gpm to ~5 gpm, while the flow at the wellhead remained at 20 gpm, indicating the presence of a leak in the force main. Field testing suggests that the leak is likely close to Well 3 and repair work is currently being scheduled. Wells 1 and 2 are currently in use, with a capability of producing approximately 33 gpm, or ~47,500 gpd. Demand is currently at ~25,000 gpd.”*

### **Property Management Report**

HPM's property management report for September 2018 – 2019 was included in the meeting packet.

Josh Hickey previously shared with the board a proposal from Yellowstone Structural for concrete work on the condo building concrete entrance pads. The board is reviewing and once approved, work will likely be scheduled for 2020.

### **Rule Enforcement Report**

HPM's rule and parking enforcement report was included in the meeting packet and noted all campus violations, warnings and fines that were communicated from HPM to residents of the Firelight campus. The group agreed that HPM's communication efforts have made considerable improvements around campus where rule violations are concerned.

### **Parking Update**

New parking spaces are planned for the Firelight campus; however, the project did not begin this year as the board hoped and is scheduled for 2020. Per an owner request, Karla will work with HPM to distribute a map indicating where the new parking spaces will be.

### **Landscaping Report**

The campus is currently being irrigated with clean drinking water. The board has attempted to communicate with Big Sky Water and Sewer regarding the possibility of the Firelight campus tying into their effluent water system. At this time they have not received a response to their request. Other landscaping projects, including the edging project, have been put to the side until the board knows more about their plans for the irrigation system. Until that is completed, other projects cannot be efficiently completed. Unused landscaping funds have been and will continue to be put into Capital Reserves until they are needed. Completed landscaping projects include: Weed and feed throughout campus, removal of faded/broken signs, refreshed mulch around the workout area, and replanted dead/missing foliage around campus (on-going).

The Firelight snow removal contract expires at the end of 2019 and has been sent to bid. The board is currently in the process of reviewing returned proposals from participating contractors.

## **NEW BUSINESS**

### **Maintenance Building**

The maintenance building located near the trash compactor and RV lot is currently owned by West Fork Utilities and leased to Hammond Property Management. The board believes it is in the Association's best interest to purchase the building and expressed their interest in doing so to the group. The board continues to investigate the possibility of purchasing the property.

### **Management Contracts**

In addition to the snow removal contract, the Firelight management contract is also up for negotiation. The board is in the process of reviewing and renegotiating.

### **Adjourn**

Laura Gregory motioned to adjourn the meeting at 7:59 pm; AJ seconded the motion. All were in favor and the meeting was adjourned.

## **Board Member Election**

**Owners were asked to vote for up to 4 candidates**

1. Laura Gregory (current Secretary), unit D-9
2. Karla Yeager (current Member at Large), unit B-9
3. Julie Brown (current Member at Large), unit 65
4. Jim Dolan, unit C-10
5. Hannah Damberg, unit D-16
6. Sally Schmidt, unit 297
7. William Cundey, unit 297

## FLM Outdoor Lighting Project

Seeking HOA approval to replace 352 exterior light fixtures. The chalets will have two fixtures (front door and patio) per unit and the condos one (deck). All fixtures will be the same size and color. The fixture is manufactured by Capitol Light Fixtures model CAP926311OZ.

Cost:

Fixture	\$71.20	\$25,067.40
Shipping	\$1.12	\$395.00
Light Bulb	\$3.00	\$1,056.00
Installation	\$52.92	\$18,626.24
Total Per Fixture	\$128.24	
Total Fixture Cost	\$45,144.64	

Unknown cost is for the disposal of packaging and old light fixture. Dumpsters are needed for recycle of cardboard and for Styrofoam. I am talking to Four Corners Recycle about recycling the metal portion of the old light fixture. This would be labor intensive because the glass portion and light build will need to be removed. I suggest we give the old fixtures to someone who might want to earn a few dollars off the metal. Currently metal is \$.01 pound.

There is an environmental impact of sorts by changing out the fixtures. The new fixture is Dark Sky compliant.

# Property Management Report 2019-2020

## Hammond Property Management

### Chalets

- Removed boulders from chalet entrance per BOD's request
- Moved fire lane sign that was in front of 278 Candlelight per homeowner's request
- Plugged and unplugged heat tape before and after winter season
- Rehung and replaced heat tape throughout chalets
- Delineated roadways for plowing
- Facilitated pre contract snow removal
- Reattached downspouts at 398 and 361 firelight
- Monitored ice damming on roofs
- Scheduled multiple rounds of roof shoveling
- Shoveled out fire hydrants
- Replaced rotting door jamb at 352 Candlelight Drive
- Removed delineators at end of winter season
- Monitored dog waste stations
- Street swept road areas that had been graveled
- Reset parking blocks
- Installed and removed foundation vent covers
- Replaced damaged downspout extensions in fronts of buildings
- Replaced electric outlet cover at 495 Firelight
- Facilitated leak damage repairs
- Inspected roof at 286 Candlelight for damaged flashing
- Straightened privacy wall between 352 and 360 Candlelight
- Facilitated exterior painting repairs
- Greased chimney cap at 344 Candlelight
- Replaced damaged siding at 330 Firelight Drive

### Condos

- Shut down hose bibs to prevent freezing
- Delineated roadways for plowing
- Replaced broken window at C building
- Reattached and replaced soffit in multiple locations
- Replaced damaged doorknob at D17 per homeowner's request
- Facilitated repair of back graded hose bib at B building
- Had spots in carpet at D building cleaned
- Facilitated carpet cleaning in condo buildings
- Monitored Ice damming on roofs

- Replaced air freshener cartridges
- Cleaned up walkways and around parking blocks during high pressure
- Shoveled out propane tanks and fire hydrants
- Responded to afterhours call regarding leaking hot tub at D building. Monitored situation until hot tub was drained. No damage found to lower units.
- Fixed door handles at B and C building
- Replaced emergency light in B building
- Removed delineators
- Filled dog waste stations
- Street swept parking lots and entryway
- Pulled down damaged heat tape. New heat tape to be hung this fall above entryways
- Reset parking blocks
- Installed and removed foundation vent covers
- Facilitated spot cleaning of carpet in C building due to pet odor complaints
- Hung new white letters above building entryways
- Facilitated leak damage repairs
- Turned on hose bibs
- Hung new white letters above all condo entrances
- Apex completed work on entryway and near C building
- Facilitated exterior painting repairs
- Reattached trim in various locations

## Compactor

- Monitored and fined owners for disposing of garbage improperly
- Turned on compactor heat
- Facilitated biannual maintenance
- Removed doorknob from second compactor door
- Scheduled additional compactor and recycling pickups around Christmas, New Years, and 4<sup>th</sup> of July
- Facilitated repairs of hydraulic pump on compactor
- Had roll offs delivered while compactor was out of order
- Installed new light above compactor
- Replaced multiple hydraulic lines in compactors
- Had roll offs delivered for spring cleaning
- Replaced quick disconnects on compactor supply and return lines
- Had republic up numerous times to inspect and fix new issues with the compactor
- Created compactor maintenance log
- Pressure washed compactor area

## Landscaping

- Replaced potentillas around campus
- Thatched lawn areas
- Trimmed trees and bushes around campus
- Hung solar light on flag poles
- Facilitated shut down and blow out of irrigation system
- Lawn mowing through Summer
- Multiple rounds of bed weeding
- Removed moose fence
- Facilitated weed and feed
- Began replacing drain stone
- Trimmed weevil damage from tops of trees
- Had irrigation system started for year
- Fixing lawn areas damaged by plows
- Extra attention spent on large rock bed weeding / spraying
- Monitored irrigation system
- Fixed damaged irrigation heads
- Replaced two cherry trees near 354 Firelight
- Removed three dead trees from campus. One behind A building, one behind D building, and one in the front yard of 375 Candlelight to be replaced
- Contacted 46 North, Wildwood, and Big Sky Landscaping regarding edging repairs. None of these companies are interested in working with the existing plastic edging.
- Facilitated noxious weed spraying
- Trimmed dead shrubs near condo entryway
- Scheduled major irrigation repairs to be done ASAP due to parking spot construction and Fiberoptic boring

## FLM Rule Violation Report
