## 3-Rivers Fiberoptics Installation

3-Rivers Communications has been working hard to install fiberoptics throughout the campus. They have completed several buildings and have many more to go, including the condo buildings. The project is expected to continue through the month of April, possibly longer, and we will continue to communicate with owners about accessing units.

We encourage all owners to participate in the installation process while 3-Rivers is offering this transition for free. If you have any questions specifically about this work, please reach out to 3-Rivers directly at 406-995-2600.

## Spring Cleanup

Happy Spring! Please be mindful of the melting snow and look out for the first fragrant flowers to bloom—the dog poo that hasn't been cleaned up. These flowers are especially fragrant on warm, sunny days when everyone enjoys being outside. We will be sending violation notices to owners with lawn areas that need cleaning up.

Spring clean up also includes CIGARETTE BUTTS, trash, cans, etc. Owners and property managers will receive a courtesy notice and the opportunity to address the matter, followed by a fine. We appreciate your attention to helping keep the campus beautiful for everyone.

## Bear Season!

As usual, we must stress to you the importance of being **BEAR AWARE** during the months of April—November. If you just awoke from hibernation, you would be hungry. You might dumpster dive, rifle through trash cans, or open car doors hopeful for snacks. But you're not a bear—you're a human—and it is your responsibility to:

- ⇒ Only put your trash curbside **ON PICKUP DAY (Monday)**, and to **BRING INSIDE** Monday evenings.
- ⇒ Put your trash bags **INSIDE** of the compactor, not outside of the compactor.
- ⇒ Communicate these rules with **SHORT TERM RENTERS**, long term tenants, or guests.
- ⇒ Understand that there are fines involved when these safety precautions aren't taken for the safety and enjoyment of all residents, children, and pets of Firelight Meadows.

## GoToMeeting

The next board meeting has been scheduled for **Tuesday, April 13 at 6:00 pm, Mountain Time**. The meeting will be held remotely via Go To Meeting.

You can also dial in using your phone.  
United States: [+1 \(646\) 749-3122](tel:+16467493122)

Access Code: 194-288-853

Please join my meeting from your computer, tablet or smartphone.
