**NOTICE OF TERRORISM INSURANCE COVERAGE  
NOTICE – DISCLOSURE OF PREMIUM**

**(This disclosure notice does not provide coverage, and it does not replace any provisions of your policy. You should read your policy for complete information on the coverages you are provided. If there is any conflict between the policy and this notice, the provisions of the policy shall prevail.)**

Coverage for acts of terrorism is included in your policy. You are hereby notified that the Terrorism Risk Insurance Act, as amended in 2019, defines an act of terrorism in Section 102(1) of the Act: The term “act of terrorism” means any act or acts that are certified by the Secretary of the Treasury, in consultation with the Secretary of Homeland Security, and the Attorney General of the United States to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of certain air carriers or vessels or the premises of a United States mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion. Under your coverage, any losses resulting from certified acts of terrorism may be partially reimbursed by the United States Government under a formula established by the Terrorism Risk Insurance Act, as amended. However, your policy may contain other exclusions which might affect your coverage, such as an exclusion for nuclear events. Under the formula, the United States Government generally reimburses 80% beginning on January 1, 2020, of covered terrorism losses exceeding the statutorily established deductible paid by the insurance company providing the coverage.

The Terrorism Risk Insurance Act, as amended, contains a \$100 billion cap that limits U.S. Government reimbursement as well as insurers’ liability for losses resulting from certified acts of terrorism when the amount of such losses exceeds \$100 billion in any one calendar year. If the aggregate insured losses for all insurers exceed \$100 billion, your coverage may be reduced.

The portion of your annual premium that is attributable to coverage for acts of terrorism is \$0, and does not include any charges for that portion of losses covered by the United States Government under the Act.

## IMPORTANT FLOOD INSURANCE NOTICE

Thank you for the opportunity to provide your important insurance protection. As your insurance provider, we like to keep you informed of important issues that can potentially impact your property assets. This letter is to remind you of the importance of considering flood insurance and the importance of reviewing your policies on a regular basis.

Your Commercial Property (Premier Businessowners, and/or Commercial Property) and Farmowners' policy does not cover damage from floods to any property resulting directly or indirectly from "water." Excluded "water" losses include, but are not limited to those caused by flood, surface water, waves, tides, tidal waves, overflow of any body of water, or their spray, all whether driven by wind or not. These types of loss or damage caused by "Water" are excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss. You will need to read your policy for all of the details about excluded water losses. This is just a summary of the excluded water losses to highlight some important flood-related issues.

In most communities, you can obtain flood insurance through your agent that is backed by the federal government's National Flood Insurance Program. In those qualifying communities, you can obtain flood insurance protection for your property regardless of your flood zone or flood risk.

Your agent can assist you in 1) determining if your community participates in the National Flood Insurance Program, 2) assessing your flood risk, and 3) understanding flood policy availability. To learn more about flood insurance and your risk of flooding access the National Flood Insurance Program's consumer website at [www.FloodSmart.gov](http://www.FloodSmart.gov).

As you consider the risk of flooding in your area and consider your options for obtaining valuable protection, consider that:

- All property is in a flood zone, regardless of whether an area has been defined as high risk or low risk.
- Nearly 25% of all flood claims are for properties located in lower-risk flood areas or locations where flooding is not expected.
- Floods can happen anywhere, at any time, causing anguish, destruction, and financial damage.
- Changing weather patterns, as well as residential and business development, may increase your chance of experiencing a flood.
- Flooding can occur as a result of clogged, overloaded, or inadequate storm drains. You don't have to live near a body of water to be flooded.
- Federal disaster assistance is often a loan and must be repaid with interest.
- Your commercial property and/or farmowner policies exclude loss by flooding.

Ask your agent about obtaining flood insurance for commercial property today. Thank you for choosing us to meet your insurance needs. We value your business.
