CRAIL CREEK CLUB (CCC)

Board of Directors Meeting Tuesday, July 11th, 2023, at 10:00 a.m. MST

Meeting Minutes

Attendance

Board members in attendance were Chuck Buker (CB), Kathy Schauer (KS), Bruce Pallante (BP), and Max Scheder-Bieschin (MS-B). Charon Warwick-Canning (CW-C) respectfully excused herself in advance. Joining the Board was Todd Rossier (TR), representative to CCC regarding the stair/deck project.

Clarifying authority to approve change orders

For purposes of allowing for timely decisions on the stair/deck project, the Board discussed what would be appropriate for CB and/or MS-B to be able to approve without seeking broader Board approval. It was moved that CB or MS-B have the authority to approved up to \$25K per proposed change order (PCO) with a cumulative limit of \$100K. Upon reaching \$100K, the Board would need to discuss and re-authorize selected Board members of futher PCO's. CB and MS-B would continue to call special Board meetings and share email updates to keep the Board informed.

Discussion of PCO's

TR led a discussion on the current PCO's in front of the Board. The Board and TR exchanged views and ideas. Attached is a listing of the PCO's reviewed which includes a summary column on the decisions unanimously taken by the Board.

The Board thanked TR for his good work and presentation.

Respectfully submitted,

Max Scheder-Bieschin

Attachment

PCO matrix as updated by TR during the call.
